This third installment in the bestselling Terrible Two series finds master pranksters Miles and Niles leading a band of summer merrymakers in a battle with a local boot camp

Everyone's favorite pranksters are at it again! School's out, and Miles and Niles are running wild in the woods outside town: climbing trees, exploring caves, and, yes, pranking. But these leafy, lazy days of mischief darken when bully Josh Barkin and his cadets from a nearby kids' boot camp discover the merrymakers—and vow to destroy them. Are our heroes' sharp minds any match for these hooligans' hard fists? The latest installment of the witty, on-target illustrated series is another "fast paced, laugh-out-loud novel" (*School Library Journal*) that proves once again that, in the hands of the powerless, pranks can be tools of justice—plus, they're funny.

It's Miles and Niles's final year at Yawnee Valley Science and Letters Academy, and the Terrible Two have one goal: an epic prank. Something big, something brilliant, something that will leave a lasting legacy at their school. Which should be easy-peasy for these experts, especially now that their principal has gone from archnemesis to pranking protégé.

But their smooth sailing gets downright bumpy when they find out that the new superintendent is none other than Bertrand Barkin, their principal's father . . . and their sworn enemy. Now that Former Principal Barkin is Acting Superintendent Barkin, he has a first order of business: his long-promised revenge on the Terrible Two.

This rollicking finale to the bestselling series by Mac Barnett and Jory John will settle once and for all who—between quick wits and powerful fists—will have the last laugh.

All aboard for another unintentional adventure with the two blandest sisters of all time

Jaundice and Kale are back from their adventure on the high seas, and they are settling back into a quiet life in Dullsville, just the way they like it. The tea is tepid, the oatmeal is tasteless, and the socks are ripe for darning . . . until Aunt Shallot shows up and reveals herself to be anything but the dull relation they were expecting. Instead, she tells her nieces she is Magique, Queen of Magic, and she's on her way to a big show and in need of two willing assistants. As Magique and the Bland sisters board the Uncanny Express, they meet a cast of mystifying characters. And when Magique goes missing, it's up to Jaundice and Kale to solve the mystery—with the help of famous detective Hugo Fromage.

An inventive story in the tradition of Agatha Christie's *Murder on the Orient Express*, *The Unintentional Adventures of the Bland Sisters: The Uncanny Express* has all the whimsy and humor that readers who are looking for an anything-but-bland adventure will love.
