The Sisters Grimm series has sold more than 2 million copies to date and has been published in 19 territories (and counting!)

Orphaned sisters Sabrina and Daphne are sent to live with their recently discovered grandmother, Relda Grimm. The girls learn that they are descendants of the Brothers Grimm, whose famous book of fairy tales is actually a history of the brothers' crime-solving efforts.

Fans of fractured fairy tales will be delighted to discover the fantasy, mystery, adventure, and humour in the popular, *New York Times* bestselling Sisters Grimm series by Michael Buckley. To celebrate the **10th anniversary** of its publication, books one through six have been repackaged with new covers in an appealing trim size, with books seven, eight, and nine available as revised editions soon. **The nine wildly popular books are favourites around the world** and were among the first books to bring a distinctly girl-power spin to fairy tales – a trend followed by hit television series and movies such as *Grimm* and *Maleficent*; the bestselling book series *The Land of Stories*; and more. Now, Fans of ABC's *Once Upon a Time* will have the opportunity to rediscover the fantasy, mystery, and adventure of The Sisters Grimm.
